

Trading Bot – Prepare Wallet with Wrapped SOL

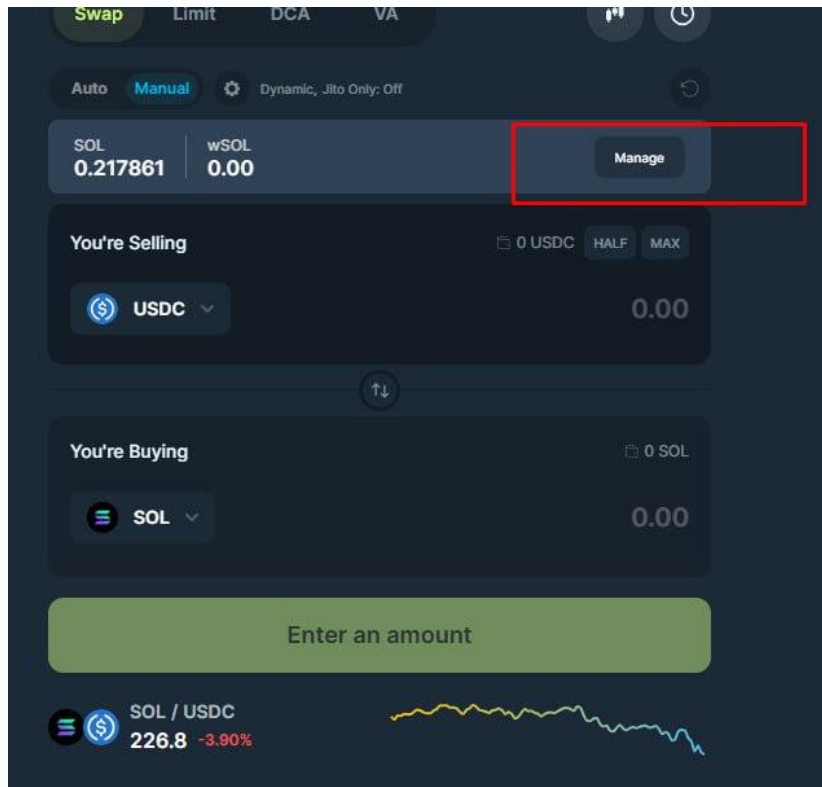

1. Visit Jupiter decentralized exchange – <https://jup.ag/>
2. Unlike in the images below, ensure SOL is in top position.
3. Click Settings button.

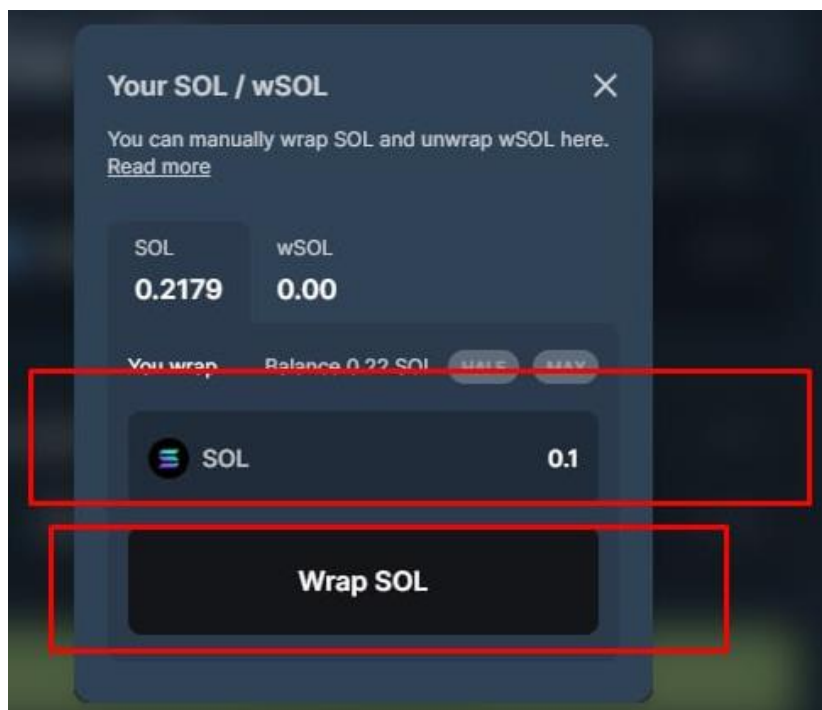

4. Click Advanced Settings and switch on “Use wSOL”.

- Click the “Manage” button.

- On the modal dialog, input amount of SOL to wrap and click “Wrap SOL” button.

Now you have wrapped SOL (WSOL) in your Phantom wallet, see example below.
